

2019-2020 Warren Philharmonic Orchestra Patrons

Few professional orchestras can exist solely on subscriptions and single ticket sales, and the Warren Philharmonic Orchestra is no exception. A large portion of our budget comes from the generosity of our patrons, some remaining anonymous. Patron donations not only underwrite our [two public concerts](#) this year. They also help fund community outreach programs such as our yearly student instructional concerts. All contributions are tax deductible. Our sincere thanks to all our patrons!
