**'Strings of Joy!'**

The Warren Philharmonic Orchestra, with the help of private donors and the Youngstown-Warren Regional Chamber of Commerce, is giving free string lessons to Trumbull County students. Each student, from grades 3-7, is carefully selected through an application process and is loaned a free violin or cello to use. Since we began the program in 2015, the Strings of Joy students have appeared as soloists with the Warren Philharmonic Orchestra in two world premieres created especially for them by Pulitzer Prize winning composer Yehudi Wyner. Provided the WPO can obtain more funding and donations, we very much hope to continue the program in the Fall.

**Celebrating the Joy of Music!**

Warren's Award-winning Orchestra of 50 professional musicians has received raves for its concerts and outreach programs to thousands of area school children.

In 2018 superstar cellist Yo-Yo Ma selected The Warren Philharmonic Orchestra for his groundbreaking *Arts Across America Project!* The concert in the Warren Amphitheater drew a crowd of thousands.

Music Director Susan Davenny Wyner has been acclaimed internationally for her conducting. The New York Times called her "electrifying and powerfully compelling." The Boston Globe selected her concerts *Best Musical Events of the Year* four times and wrote, "Under her baton the music breathes, lilt, romps, sighs, and sparkles."

**Educational Outreach & Art In Music Contest!**

The Warren Philharmonic is committed to playing a vital role in Education and Community Outreach. Each year the WPO performs Free School Concerts for the area's school children. At the concert the students explore stories behind the music and get to hear each instrument alone as players give solo demonstrations. This year's School Concert is planned for October 21, 2022.

The Orchestra normally sponsors a school-wide "Art in Music" Contest. School children are invited to create art about the orchestra's instruments and its music. Over the last 11 years, hundreds of imaginative and colorful drawings have been created and exhibited at area galleries and community centers. We are hoping to continue our Art Contest event for our 2022-23 season.
