Celebrating 53 Years!

'Superb performances' 'Stellar musicianship' 'Captivating programs'~Warren's award-winning professional orchestra has received raves for its concerts and vivid outreach to hundreds of area school children.

This past summer, superstar cellist Yo-Yo Ma selected The Warren Philharmonic Orchestra and the Warren Amphitheater as one of 60 sites in America for his groundbreaking *Arts Across America Project!* Mr. Ma's August 13 concert with the orchestra members drew thousands to the Amphitheater.

Music Director and Conductor Susan Davenny Wyner has received international acclaim for her "electrifying, powerfully compelling, and emotionally fearless" conducting (The New York Times). The London Times called her a "musician to her fingertips" and she was featured in the Library of Congress 2003 'Woman who Dare' Calendar. She is passionate about programming "intriguing, surprising, emotionally rich music for our 55 musicians that will thrill and captivate you, our listeners!"

'ART IN MUSIC' CONTEST!

The Orchestra sponsors a School-wide 'Art in Music' Contest. School children are invited to create art about the orchestra's instruments and its music. Over the last 10 years, hundreds of original and colorful drawings have been created and exhibited at area galleries and community centers. The winners of the '2019-20 Art in Music Contest' will be awarded prizes at our Sunday October 6th 2019 Family Concert, and their fanciful drawings will be on display for all to enjoy.

'STRINGS OF JOY!'

The Warren Philharmonic Orchestra, with the help of private donors and the Youngstown Warren Regional Chamber, is giving two years of free string lessons to Trumbull County students. Each student, from grades 3-7, is carefully selected through an application process and is loaned a free violin or cello to use. Since we began the program in 2015, the Strings of Joy students have appeared as soloists with the Warren Philharmonic Orchestra in two world premieres created especially for them by Pulitzer Prize winning composer Yehudi Wyner. Provided the WPO can obtain more funding and donations, we very much hope to continue the program in the Fall.
