**Art In Music Contest!**

The Orchestra normally sponsors a school-wide "Art in Music" Contest. School children are invited to create art about the orchestra's instruments and its music. Over the last 11 years, hundreds of original and colorful drawings have been created and exhibited at area galleries and community centers. Unfortunately, these are not normal times, and for that reason, we are suspending our Art Contest for now and are hoping to resume this valuable event for our 2021-22 season.

We are also moving our children's concert from the Fall to the Spring of 2021 in order to safeguard the health and well-being of the students who every year come to a free concert given by the Orchestra and experience stringed instruments for the first time.

**Celebrating 55 Years!**

"Superb performances" "Stellar musicianship: "Captivating Programs" –Warren's award-winning professional orchestra has received raves for its concerts and vivid outreach to hundreds of area school children.

During the summer of 2018, superstar cellist Yo-Yo Ma selected The Warren Philharmonic Orchestra and the Warren Amphitheater as one of 60 sites in America for his groundbreaking Arts Across America Project! Mr. Ma's August 13 concert with the orchestra drew thousands to the Amphitheater.

## 'Strings of Joy!'

The Warren Philharmonic Orchestra, with the help of private donors and the Youngstown-Warren Regional Chamber of Commerce, is giving free string lessons to Trumbull County students. Each student, from grades 3-7, is carefully selected through an application process and is loaned a free violin or cello to use. Since we began the program in 2015, the Strings of Joy students have appeared as soloists with the Warren Philharmonic Orchestra in two world premieres created especially for them by Pulitzer Prize winning composer Yehudi Wyner. Provided the WPO can obtain more funding and donations, we very much hope to continue the program in the Fall.
